

To Whom It May Concern:

K-Love is a radio station that my husband and I enjoy listening to every day. The songs and stories are very uplifting and encouraging. Whenever we are discouraged the message of the gospel is there to lift us up and give us hope. K-LOVE is changing lives for the good of our society all over America. Please do not infringe upon our constitutional rights by implementing: a local community advisory board, adding tens of thousands of dollars in additional monthly expenses to all local K-love stations, dictating the content of what is being said on the air, and forcing some translator stations off the air. Christians have the right to freedom of speech and religion!
